

Comment Sheet

Directions

Use this sheet if you have a suggestion for improving the formatting (design, layout, composition), grammar, or spelling in the manual. **Do not** use this sheet to order manuals or change the number of manuals you receive or your mailing address (see [Appendix E](#) on page E-1-1).

Description of the problem, error, inconsistency, missing or insufficient information

Description of the recommended change

Reason for improvement or change

Fold this sheet in thirds so that your comments are on the inside and the Manuals Unit's address is in the center. Tape, stamp and mail.
